EVENT POLICIES

Planning an event such as a wedding?

We are happy to work with you to create a signature cupcake flavor and look for your wedding or other event. Contact us to discuss the details of your event. Please note that prices for off-menu flavors and decorations may be higher.

Sampling

The Cupcake Bar custom-bakes every cupcake to order and we don't keep "stock" on hand for sampling. We recommend you order a dozen in your preferred flavor if you would like to sample a flavor in advance of your event. If you order a minimum of five dozen cupcakes for your event within 12 months of ordering your sample, we will credit you the cost of the sample dozen (minus tax and delivery fees). When placing a sample order for tasting in advance of an event, please put indicate "event sample" in the Special Request section of the order form.

Delivery and Set-Up

The Cupcake Bar will deliver the cupcakes to your desired location per your order. Fees for delivery are included on the online order form. Your cupcakes will be delivered in bakery boxes tied with our festive orange ribbon. The Cupcake Bar does not set-up or display cupcakes.
